TO ALL POA MEMBERS

RE: Reminder of a Scheduled Board Meeting Tomorrow - Thursday, April 24, 2008

Meeting will start at 6:15pm at the Thunderbird.

We will open the meeting and update the community on the water and sewer issue with the City of Crossville before the Q&A session. Who and what started this conversation with the city. How the City included water in this discussion and how the board is proposing to answer the proposal from the city. The original discussion was on sewer only, with no intent to discuss the water issue. Wait until you see our response to the city. We will have had our lawyer review the response before it is sent to the City of Crossville. After reading all the correspondence to and from the City, we will open for the Q&A.

After the Q&A, we will start the business part of the meeting, which will include the naming of the Golf Committee Chairman; Our official response to the City of Crossville in regards to their proposal on water & sewer and any late addition to the agenda.

Tired of hearing the same old gossip then come to the meeting to get the facts of what is really happening first hand. You know that at the meeting you can provide the Board and POA Management with your thoughts in person instead of complaining to and with your neighbors... Become proactive to make Tansi a great place to live....

Thank you for taking the time to read this publication and please feel free to reply to us and provide us feedback.

Sincerely,
